

### **Evercare Select members residing in Maricopa County**

AHCCCS is offering Evercare Select members residing in Maricopa County a special enrollment option for their long term care Program Contractor. They may choose:

- One of the two new Program Contractors: Bridgeway or SCAN Long Term Care, or
- Choose to remain enrolled with Evercare Select

In July 2006, AHCCCS will mail open enrollment packets to these members. This packet will contain brochures about the two new Program Contractors in Maricopa County (Bridgeway and SCAN Long Term Care) as well as information on Evercare Select. It will also contain information on how to change Program Contractors if they should desire. If a member chooses to change Program Contractors, the date of enrollment with the new Program Contractor will be effective October 1, 2006. If a member wishes to remain with Evercare Select, no action is required.

Please address any questions about the open enrollment process to the AHCCCS Central Office at 602-417-7100 within Maricopa County or 1-800-334-5283 outside of Maricopa County.
